

Industrial Designer

m Coy Group is Making the Vision Real™ by striving to create compelling branded environments. We work with architects, interior designers and owners. We are passionate about building strong working relationships with design professionals and clients. They create the unique vision for the branded environment. We fabricate and install the fixtures, graphics and décor items to make that vision real. Our comprehensive approach to accomplishing space and fixture designs allows us to deliver incredible results that are on time, on budget and as designed.

m Coy Group is highly recognized in the industry working with the top designers and top retailers on award winning branded environments.

m Coy Group is a leader in the custom retail store fixture and display industry. We are seeking a person to fill the position of Industrial Designer. Candidates will create product drawings for customer approval and detailed shop drawings for manufacturing. Candidates must be self-motivated, extremely detail oriented and solid team players with strong communication skills. Experience with the fabrication and installation of custom retail fixtures and displays is beneficial.

- 3+ years experience
- Must be self-motivated and driven to succeed
- Must be able to work well in an open team environment
- Possess excellent communication skills (both written and verbal)
- Be able to communicate professionally with clients, designers and suppliers
- Able to multi-task in a fast paced environment with strict deadlines
- Possess strong problem solving skills
- The ability to work in SolidWorks is required; AutoCAD experience is a plus.
- Benefits include:
 - Employer-paid health insurance
 - Paid holidays and vacations
 - Paid sick days
 - Profit sharing
 - Ability to work from home as needed

This job description is intended to describe the general nature, complexity and level of work to be performed by employees assigned to this position, and is not construed as an exhaustive list of responsibilities, duties and/or skills required. It does not prescribe or restrict the work that may be assigned. Furthermore, this does not establish a contract for employment and is subject to change at the discretion of the company.
